To learn, we must be motivated...

To survive, we must motivate ourselves...

Phil Hayden, PhD • Damian “Skip” Stites (171st)
Special Agents - Federal Bureau of Investigation - Retired

Phil and Skip, the original designers of the FBI's Law Enforcement Training for Safety and Survival (LETSS) program now bring to your department, Concepts and Tactics for Survival (CATS). This training has been embraced by thousands of police officers world wide for the past 15 years as the cutting edge training in survival techniques.
